1. URGENCY OF THE INJUNCTION

This draft petition seeks an immediate interim injunction (stay order) against the Respondent to prevent the ongoing publication, advertisement, and monetization of illegal medical claims. The Respondent is actively targeting vulnerable populations, specifically cancer patients and parents of autistic children, by claiming that astrological remedies can cure or mitigate these conditions.

2. GROUNDS FOR INJUNCTION

The Petitioner submits that the Respondent's digital operations constitute a severe and immediate threat to public health, warranting an immediate takedown order based on the following statutory violations:

A. Violation of the Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954

- **Evidence 1:** The Respondent published an article titled *"Cancer Recovery Through Prashna Astrology: How Devi Blessings Healed the Native"* on their commercial booking portal (consultlunarastro.com). Section 3 of the Act strictly prohibits any advertisement claiming to treat or cure malignant diseases.
- **Evidence 2:** The Respondent published an article titled *"Astrological Insights and Remedies for Autism in a Twin,"* offering non-medical interventions for severe developmental disabilities.

B. Unlicensed Medical Practice The Respondent, operating as a private limited company registered for educational purposes, is offering "Medical Astrology Consultations" and diagnostic "flow charts for cancer patients" without any recognized medical licensing or oversight from the Ministry of Health.

3. PRAYERS FOR RELIEF

In light of the ongoing threat to public health and consumer safety, the Petitioner prays for the following interim and permanent injunctions:

1. **IMMEDIATE TAKEDOWN:** An interim injunction directing the Respondent to immediately remove all content, articles, and videos referencing Cancer, Autism, and other chronic illnesses from their domains.
2. **CEASE AND DESIST:** An order restraining the Respondent and Deepanshu Giri from offering "Medical Astrology Consultations" or charging fees for health-related astrological diagnostics.
3. **DOMAIN SUSPENSION:** A directive to the Ministry of Electronics and Information Technology (MeitY) to suspend the domains

`consultlunarastro.com` and `lunarastro.org` pending a full investigation by the Central Drugs Standard Control Organisation (CDSCO).
